- At least 1 years video editing experience and knowledge to do intermediate tasks

### KEY DUTIES:

- Relationship management with marketing and editorial teams
- Ability to take a brief either written or verbally
- Edit a series of videos from event promo reels, through to editorial news bulletins, vox-pops, social media
- Ability to film events and video (advantageous not essential)

### COMPETENCIES:

- A self-starter, full of energy and ideas
- Can do attitude
- Be able to deliver work quickly
- Strong organisation skills & attention to detail
- Innovative, flexible, reliable and proficient

We create various types of videos ranging from commercial to creative, editorial

interviews and sometimes videos for clients too.

### **About IHM and applying**

Because IHM is growing quickly, every intern is given basic training and encouraged to quickly contribute within the real business activity. You're given significant responsibility, and your efforts have a direct impact on the success of the team and the wider business.

Exposure to business is substantial at IHM. It happens right there in front of you and it happens fast. You interact daily with managers and executive team members. The learning curve is steep, and it takes an ambitious and brave young individual to succeed - are you ready?

We are looking for an immediate start.
