

URBAN LIVING NEWS

Part of the International Hospitality Media portfolio, Urban Living News is the latest hospitality and real estate multi-media b2b platform. It has been launched in response to the increasingly blurred lines between asset classes within urban development.

WHO ARE INTERNATIONAL HOSPITALITY MEDIA?

International Hospitality Media (IHM) is the number one brand to engage with decision makers in hospitality and real estate. Our 4 multimedia brands: BoutiqueHotelNews.com; ServicedApartmentNews.com; ShortTermRentalz.com and UrbanLiving.News lead their respective sectors with breaking news, comment, trends and opinion across a variety of multimedia solutions.

Urban Living News (ULN) is the most recent hospitality and real estate multi-media b2b platform, launched in April 2022. It was created in response to the increasingly blurred lines between asset classes within urban development. Sectors include but not limited to hotels, serviced apartments, BTR, PBSA, senior living, coliving, flexible workspaces and more. The platform focuses on the convergence of these markets rather than covering the sectors in isolation, and keeps you up to speed with the rapidly evolving ways in which we stay, live and work.

Boutique Hotel News (BHN) is the leading international brand for the burgeoning boutique, luxury and lifestyle hotel market.

Serviced Apartment News (SAN) launched in 2013, is the number one resource for the global serviced apartment, aparthotel and extended stay sectors.

Short Term Rentalz (STRz) launched in 2018 to provide a comprehensive b2b information source for the fast-growing short term and vacation rental sectors.

“Thank you to Piers and the team for putting on a quality schedule packed full of industry experts. The future of this market is terrifically exciting!”

William Parry, CEO and Co-Founder, Altido

“We were super impressed by the whole event (Urban Living Festival), from the details around the marketing pre-conference, the amazing care and attention to detail from our respective panel leads Paul Rands and Leo Colgan, and the actual event itself. A very diverse mix of people and companies, and I know from our perspective we have made some superb connections for the future progression of Loopliv. All too often events like this are just a tick box, however for us, this really did feel like the people in attendance are genuinely aiming to make their respective sectors more progressive, and that has to be a positive for all concerned.”

Christine Young, Co-Founder and Director, LoopLiv

“We have had the privilege of co-hosting two feed your mind sessions, with leaders in hospitality and real estate at our Bermonds Locke and Buckle Street studio venues in the past 12 months. Not only was the discussion relevant and informative, the calibre of guests were exceptional, and all were highly engaged and hopeful for the future of hospitality. We look forward to working with IHM in the future and want to express our appreciation for their support of our team, brands and the wider industry.”

Eric Jafari, Chief Development Officer/Creative Director - Edyn Group

“I attend a lot of your webinars and today’s session on ESG was really good. I’m currently putting together a Situ Supplier ESG programme and there was some really helpful content in the webinar. Everyday, business applicable related practical content. Thank you.”

Seth Hanson, Head of Supply Chain, Situ

“RECHARGE 2023, you were a blast! An amazing lineup of panel discussions held by top industry leaders, giving real insight and inspiration, shaping the future of the sector. Lisbon was an incredible location and the perfect place.....to kick off the year ahead. As for the company, we were spoilt for choice with so many inspiring and collaborative members joining the tours and day 2 work shops. I can honestly say I left with a real buzz and can’t wait to work with so many of the new contacts that I met, that I now call friends in the year ahead. Roll on RECHARGE 2024...I’m counting down already!”

Suzanne Luscombe, Business Development Director, Opago
